

a Termoli

€ 240.000

Ref. F984

400 sq.m

Industrial warehouse for sale in the industrial center of Termoli.

The shed is ideal for: industry, crafts, warehouse, storage, etc.

The property has 280.00 square meters of covered surface area without architectural barriers, to facilitate loading and unloading operations.

The facility has two entrances, for easy accessibility and better management of workflows.

The height of the shed is 7.60 meters, offering ample space for the storage of materials and goods.

In addition, 72 square meters of offices are available, equipped with toilets and all the comforts necessary for the organization of business activities.

One of the most interesting features of this warehouse is the presence of 120 square meters of open spaces, ideal for the arrangement of areas dedicated to parking or movement of heavy vehicles.

In short, this warehouse for sale in Termoli is an ideal solution for companies looking for a modern, functional and well-organized space to carry out their production and logistics activities.

Its excellent location, large size and numerous features make it a unique opportunity on the Termoli real estate market.
