Pizzeria business for sale in Termoli.

Established wood-fired pizzeria, offering both dine-in and takeout, with a steel chimney. It's been in business for ten years.

The business is located in a highly frequented and busy area and is well established, with a consolidated clientele and a good turnover.

The price includes the walls of the premises and all the equipment.

The pizzeria is fully equipped with all the necessary equipment, including a professional oven, mixer, food preparation and storage equipment, and functional furnishings.

The strategic location and quality of service offered make this business an excellent opportunity for those who want to enter the restaurant industry with an existing and operational business, without having to start from scratch.

Call me to schedule an appointment for this pizzeria for sale. Raul 3294363448
