

a Termoli Porticone € 12.000 Ref. F637

5.920 sq.m

We offer for sale agricultural land located in the Porticone area of Termoli, ideal for those looking for a solution immersed in nature and far from the chaos of the city.

The land, with a total surface area of 5,920 square metres, is steep and rich in vegetation, typical of the Molise hills.

The steep characteristic of the land makes it perfect for growing plants that require well-drained and sunny soil.

The entire surface of the land is intended for agricultural use, so there are no limits to the possible activities that can be carried out such as: vegetables, fruit, cereals or for the creation of a vineyard.

The Porticone area, where the land is located, is known for its scenic beauty and its strategic position, a few kilometers from the center of Termoli and its beaches.

This position allows you to enjoy a quiet and private environment, but at the same time have all the services necessary for daily life available.

Access to the land is guaranteed by a private road, which makes it easily accessible.

Call Raul now on 3294363448 or the agency 0875871077 for more information or to book a visit for this land in the countryside of Termoli.
