

Single House a Larino

€ 55.000

Ref. F701

120 sq.m | : 2 | : 3 | : 5

Detached house already divided into two apartments, each with its own private entrance, located in the heart of the historic center of the town of Larino, whose origins date back to the 20th century.

The first house is on the ground floor and comprises: entrance hall, living room with open kitchen and fireplace, double bedroom overlooking the Molise hills, and windowless bathroom with shower.

The second apartment is on the first floor and comprises an entrance hall, living room, kitchen, double bedroom, and bathroom. Both the living room and kitchen have access to the balcony.

An internal staircase leads to the attic which is completely plastered and tiled.

The houses were completely renovated in 2013 and are equipped with: independent heating, double glazing, private entrance, and have two sunny sides, thus ensuring brightness all day long.

The property is suitable for small families and is an excellent investment given its internal layout.

The house is being sold fully furnished, offering an ideal opportunity for those wishing to avoid the cumbersome process of furnishing.

You can contact me without obligation to schedule a viewing of this detached house, already divided into two apartments with a

separate entrance, for sale in Larino. Call Raul at 3294363448.
