The beaches are wide and clean, the sea is beautiful, blue, crystalline, and transparent, with a gently sloping, sandy seabed, ideal for swimming, bathing, and water sports in the more touristy, well-equipped areas. They are surrounded by lush pine forests that reach the mouth of the Biferno River, where the coast curves and is closed to the north by a promontory on which Termoli and its port stand.

Campomarino Lido is less than a kilometer from the town center and has a recently built tourist marina.
