Two-bedroom apartment with garage for sale in Porticone. In Termoli, we offer for sale a bright and well-appointed 80 sq m apartment, located on the fifth and top floor of a quiet building. The property comprises four rooms: a living room, kitchen, hallway, double bedroom, single bedroom, bathroom with tub and window, and garage. The house has two balconies, both with sea views. The first overlooks the kitchen, providing plenty of light and air while cooking. The other is accessible from both the master bedroom and the single bedroom. The rooms are well-proportioned and the top-floor location provides brightness and a feeling of greater privacy. The internal layout is one of the strong points: a hallway neatly connects all the rooms, so every square meter is used well and there is never the feeling of wasted space. Plus, there's a large, convenient built-in wardrobe, perfect for storage: a practical solution that helps keep your home tidy without taking up too much space. The property includes a garage of approximately 20 square meters on the ground floor. The apartment is accessed via a spacious elevator, a detail that makes a difference in everyday use, especially when shopping or when you have children. The area also has much to offer: there's a soccer field and a playground for the little ones, so there's plenty of outdoor space for sports and recreation. The house also benefits from local amenities, such as the circular walkway. The condominium fees are only 50 euros per month Call me without obligation for more information or to schedule a viewing of this apartment for sale in Porticone, Termoli. Raul 329 4363448.
